~~It's a Saturday evening. The area around the mall is too crowded. We see two guys coming out of the mall near the corridor. One guy, Akash (-35-) is wearing shorts and a t-shirt with branded shoes carrying his gym bag and a sipper. Other guy, Kush (-38-) is wearing joggers with t-shirt carrying a gym bag and a phone on the other hand. Their car 'Mercedes Sclass' arrives. As soon as they sit in the car Kush's phone buzzes.~~

There is a side picture of a woman with open straight hair and wearing big jhumkas. Kush's not able to see the full face but just the side angle. He clicks on the profile to read the bio. The bio reads, 'It doesn't even matter whatever i write down here but still you're gonna swipe based on the pictures but still I am writing. I am Delhite/Punjabi/Gemini/Doglover, I am 5'-7-, Married in Delhi, fun loving person who likes to live on her own conditions, IF YOU'RE LOOKING FOR A HOOKE UP THEN SWIPERIGHT BECAUSE I AM ONLY LOOKING FOR A CASUAL RELATIONSHIP, with a smart, decent and a mature person also can't tolerate grammar mistakes. And, the most important thing, No strings attached'. Kush gets more excited looking at the bio. Meanwhile, Akash calls his girlfriend on the phone. Kush sees the bio and immediately sends Pooja 'HI'. He waits for few seconds and gets a reply saying 'Hey'. Their conversation starts. Kush takes two seconds to reply. Akash ask Kush 'nariyal paani piyega? Kush just nods and doesn't say anything.
